UTILITIES BOARD

IN RE:  WORKNET COMMUNICATIONS, INC.	DOCKET NO. TCU-00-32
--	----------------------

**ORDER CANCELLING APPLICATION FOR CERTIFICATE**

(Issued January 31, 2003)

On June 5, 2000, WorkNet Communications, Inc. (WorkNet), filed an application for issuance of a certificate of public convenience and necessity pursuant to Iowa Code § 476.29 (1999). The application was identified as Docket No. TCU-00-32.

On September 5, 2000, the Utilities Board (Board) issued an order approving WorkNet's application. In the order, the Board stated that WorkNet would be issued a certificate when it had given notice to all affected local exchange carriers and had an approved tariff on file with the Board. The Board does not have a record of a tariff filed by WorkNet in response to the Board's September 5, 2000, order.

On January 9, 2003, the Board's annual report was mailed to WorkNet at the address on file with the Board. On January 17, 2003, the mailing was returned to the Board as undeliverable. The Board concludes that WorkNet may no longer be an operational company. Therefore, the Board will cancel WorkNet's approved

application 30 days from the date of this order unless the Board is contacted by WorkNet and provided with updated corporate information.

**IT IS THEREFORE ORDERED:**

WorkNet Communications, Inc., shall contact the Board with updated corporate information within 30 days of the date of this order. If the Board does not receive a response within 30 days, the approved application for a certificate of public convenience and necessity, identified as Docket No. TCU-00-32, filed by WorkNet Communications, Inc, on June 5, 2000, and approved by the Board on September 5, 2000, will be deemed canceled without any further action by the Board.
